ANNUAL REPORT 2023

Page 20 – Ratio graphs

In the initial English translation of the annual report 2023, published on 5 April 2024, errors were discovered post-publication in below mentioned graphs, due to layout issues.

The original Dutch report and the French translation features the accurate graphs.

These graphs have been corrected in the updated version on 11 April 2024, ensuring accurate representation of the intended information. This corrected version of page 20 of the annual report replaces the previously published one.

(1) As of 1 January 2019 IFRS 16: Leases is applied. As of 2019 adjusted EBITDAL is included instead of adjusted EBITDA.

(2) As of 1 January 2019 IFRS 16: Leases is applied. As of 2019 the net financial debt excl. lease liabilities is included instead of net financial debt.

(3) As of 1 January 2019 IFRS 16: Leases is applied. As of 2019 ROCE excl. IFRS 16 is included instead of ROCE.

(4) These graphs have been adapted by means of an Erratum dated 11 April 2024.
